

A high-angle, wide shot of a city skyline, likely New York City, viewed through the curved frame of an airplane window. The Empire State Building is the most prominent skyscraper on the right side of the frame. The city is densely packed with various buildings of different heights and styles. The sky is filled with soft, golden clouds, suggesting a sunrise or sunset. The overall color palette is warm, with a lot of orange, yellow, and brown tones.

Evansville Regional Airport

The future of Evansville Regional Airport is essentially tied to the prosperity of the entire region. As the tristate area's renaissance continues, EVV has transformed to fulfill the aspirations of tomorrow, to better serve the community and to position the region as a world leader, *connecting everyone, everywhere.*

EVV FAST FACTS

- EVV has grown 2 ½ times faster than similar-sized airports.
- EVV has grown twice as fast as the national airport average.
- EVV's passenger traffic has increased by 35% in only four short years.
- Airfares at EVV have dropped by 11% over the last few years, outpacing the U.S. average.

THESE FLIGHTS START HERE.

Evansville Regional Airport offers competitive-priced connectivity to hundreds of domestic and international destinations with frequent daily flights to five top-rated, major hub cities - Atlanta, Dallas, Detroit, Charlotte and Chicago, as well as nonstop, low-cost flights to Destin and Orlando.

Served by Allegiant, American Airlines, and Delta, EVV is an easy and welcoming gateway to and from southwest Indiana, western Kentucky and southeastern Illinois.
